

East Bay

Trout in the Classroom Teacher Training Program

**Saturday,
October 31, 2009
8:30 – 4 PM**

**RICHARD C. TRUDEAU
TRAINING CENTER**

**11500 Skyline Blvd.
Oakland, CA 94619**

Cost: \$25

**Advance
Registration
Required**

**Project WILD Aquatic
certification will be
included in this workshop**

Through a classroom experience of hatching fish eggs and coordinated activities, students experience first-hand the value of aquatic environments, the balance that must be met to maintain and preserve California's fisheries and aquatic habitats, and how their personal actions affect these valuable resources.

Successful completion of this training class qualifies teachers to apply for a permit to hatch fish, receive eggs and to receive classroom support and equipment to enable you to hatch fish in the classroom.

This program is cosponsored by California Department of Fish & Game, Diablo Valley Fly Fishers, Grizzly Peak Fly Fishers, East Bay Municipal Utility District, East Bay Regional Park District, Mission Peak Fly Anglers, Tracy Fly Fishers and Try Valley Fly Fishers

Questions? Contact Ethan Rotman at (415) 892-0460 erotman@dfg.ca.gov. For more information, visit www.classroomaquarium.org.
